

Advanced Math Pathways — Fall 2025

Do you enjoy challenging yourself academically? Do you want to accelerate your learning of mathematics so that you are better positioned to pursue a career in mathematics, science, engineering, or technology?

Self-motivated students in 4th grade and up are invited to apply to join our Advanced Math Pathways program. Students will learn to solve challenging problems, to explore interesting math concepts through hands-on activities, and to hone their basic math skills.

- Free and open to students in 4th through 12th grades
- To register, visit the webpage at <https://riverbendmath.org/pathways/> or contact Amanda Serenevy amanda@riverbendmath.org 574-339-9111
